

ANUBHA ENGINEERS (INDIA)

Manufacturers of

Plasma Powder welding machines (PTA), Column and Boom, Welding positioners and Rotators, Plasma torches & consumables - Welding Inverters, Micro-Tig Welding Machines, Micro Plasma Welding Machines, AC Welding Machines, Mig welding Machines, Shape Cutting Machines, Special Purpose Machines for hardfacing and cladding.

Partners in Wear Solution

www.anubhaengineersindia.com

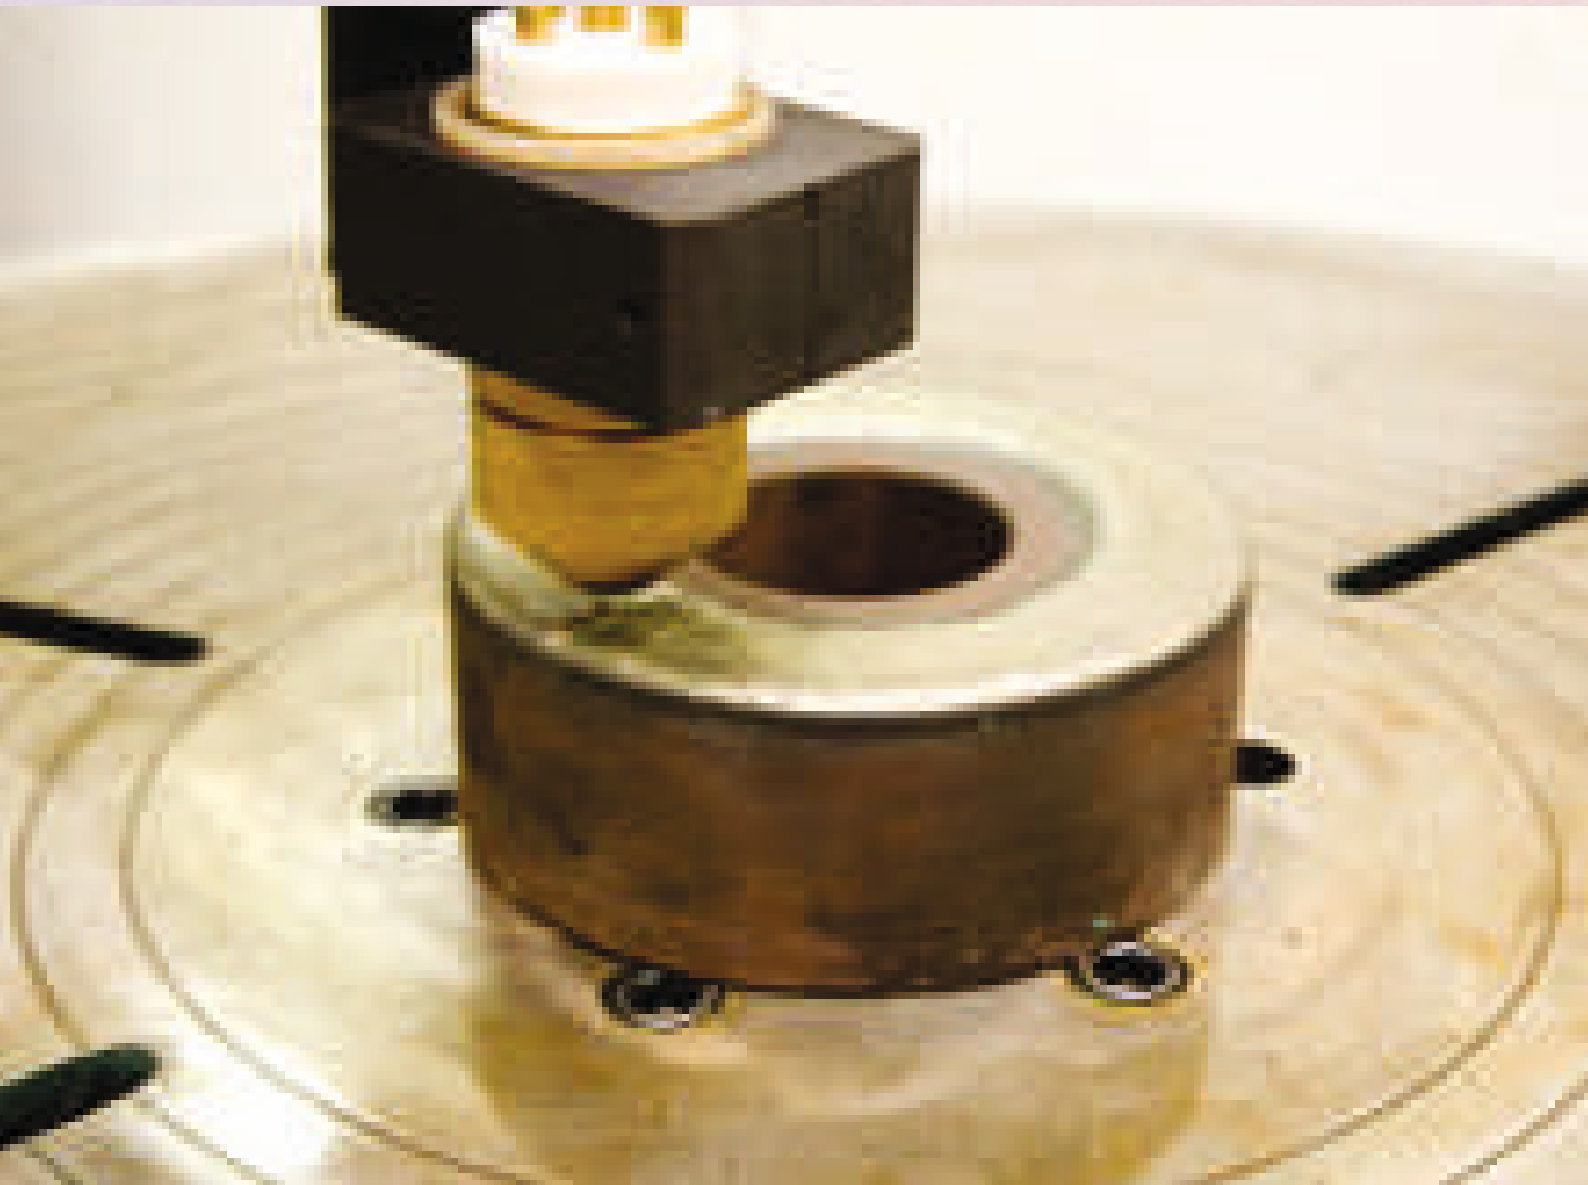

ANUBHA offers complete range of welding Equipments and Accessories.

Welding Products

PTA
MIG (GMAW)
TIG (GTAW)
Stick (SMAW)
Engine-Driven
Multiprocess
Wire Feeders
Multioperator
Submerged Arc

Accessories

CARTS
TRAILERS
GUNS & TORCHES
WORKSTATION
POSITIONER
CHILLING UNIT

PTA WELDING SYSTEMS

List of Sub Modules

Column and Boom

Water chilling unit

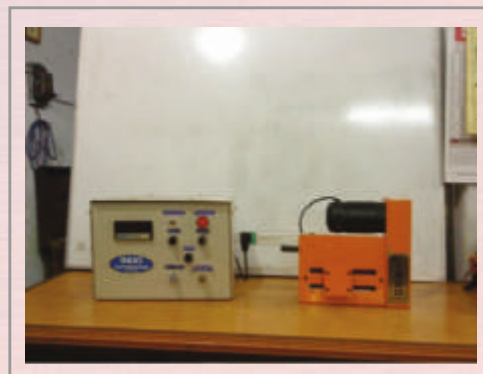

Main Control panel

Welding Positioner

Oscillator Unit

Column and Boom

DESCRIPTION

- with frequency trolley
- precise mechanics & accurate positioning.
- uniquely designed crossbeam and vertical column.
- guide track is made of steel

SPECIFICATION

Column	-	300×300×2000mm Height
Boom	-	100×100×1500 Long
Z-axis	-	1000mm Up and Down Movement Motorized with Gear Box
X-axis	-	1000mm Motorized with Gear Box
Cross Slide	-	250mm
Motor	-	0.5 HP A.C. Motor with Gear Box (Kirloskar)

Chiller & Cooler

DESCRIPTION

wide range of water cooler and Chiller in compliance to international Standards

SPECIFICATION

Supply Voltage	-	230 Volts, 1 Phase
Tank Capacity	-	20 Litres
Flow Rate	-	8 LPM
Heat Transfer	-	Forced Air Cooled Radiator
Motor Rating	-	1 Phase, ½ HP
Cooling Fan	-	1 Phase, 40 Watts

Control Panel

DESCRIPTION

wide range of water cooler and Chiller in compliance to international Standards

SPECIFICATION

Supply Voltage	-	230 Volts, 1 Phase
Tank Capacity	-	20 Litres
Flow Rate	-	8 LPM
Heat Transfer	-	Forced Air Cooled Radiator
Motor Rating	-	1 Phase, ½ HP
Cooling Fan	-	1 Phase, 40 Watts

Industrial Potitioners

DESCRIPTION

- motorized and manual tilting options.
- These are offered in a capacity upto 5 Ton and above. Various Models available
 - IA 500 Positioner
 - IA 300 Positioner
 - IA 50 Positioner
 - Positioner With Column And Boom

SPECIFICATION

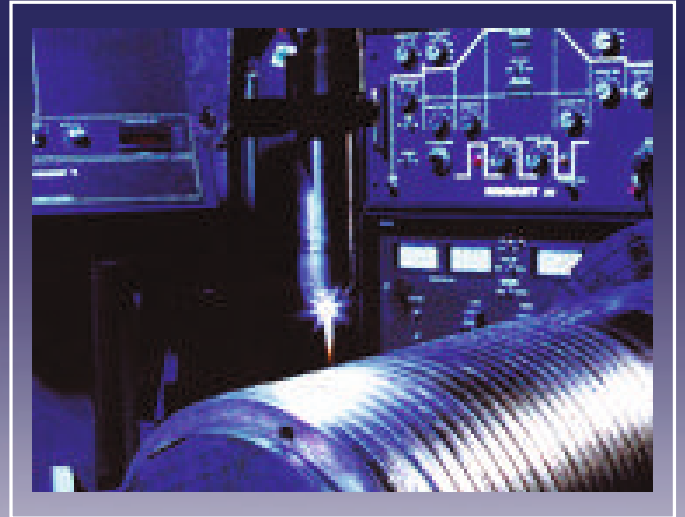

Speed	- 0 to 2 R.P.M.
Motor	- 440 Volt AC Motor with Geared
Face Plate	- OD 850 Fabricated
Tilting	- Motorized 180° to 90°
Drive	- 0.5 HP VFD Siemens drive

Oscillation Slide

SPECIFICATION

Speed	- 20 – 100CM/PM
Dwell	- 0 – 2 Sec (at either side)
Travel	- 75mm
